EAST HEIGHTS BAPTIST CHURCH

From your Pastor:

Dear Church Family,

As we head into the fall, we're excited to re-launch Small Groups on Sunday nights starting September 7! We believe that spiritual growth happens best in community—when we gather in smaller settings to share, learn, pray, and encourage one another.

Whether you're new to the church or have been here for years, small groups are a great way to:

- Build meaningful relationships
 - Go deeper in your faith
 - Ask questions and explore Scripture together
 - Find support through life's ups and downs
- Don't do life alone. Join a small group and experience the power of community and discipleship.

In His love,
Bro. Jay

From your Children's Ministry:

Dear Church Family,

We are having an amazing summer! The kids learned at Connect Camp that God is a true friend while having so much fun. They are making plans to attend camp next year so we are excited for that!

It's **Awana** time! We are so excited to kickoff with an inflatable waterslide, fun games, food, ice cream, and snow cones. Make plans to bring some friends and join us!

We are in need of volunteers for Awana! The Bible tells us that spiritual growth is connected to our willingness to serve others. Serving at Awana is a humbling and rewarding experience that requires a team. Please begin praying for specifically that children's lives will be impacted through Awana and that God will provide the volunteers we need to lead and serve well. Please signup to serve at Awana in the foyer. Contact me if you have any questions.

-Jennifer

Take heed that you do not despise one of these little ones, for I say to you that in heaven their angels always see the face of My Father who is in heaven.
Matthew 18:10

From your Youth Pastor:

What an incredible and wonderful summer we had with the teens at our church. Centrifuge was very impactful as usual and going to a venue we had never been before was also fun. Several of us went on the Mission Trip to Costa Rica and saw God move in powerful ways. We all have some friends to pray for from our time there. It was also a reminder of how blessed we are in our country and to appreciate how good we have it here.

Super Summer was so good! Our different groups, the music, the worship, and the message! We just can't say enough about our experience there. Big thank-you goes out again to Aimee and John Herndon for helping with the van and taking care of the students. Our youth group cannot say thanks enough for the help they provided!!

All new 7th graders are now invited to join the 7-12 graders for all youth activities. Wednesday night, Sunday School and anything else we do.

Youth/parents, please send me the schedule for the extracurricular school activities.

-Nathan
